

IOI Distinguished Service Award Nomination Form

Nominees should have made a significant contribution to the activities and development of IOI, beyond the usual activities of a Delegation Leader, Deputy Leader or IOI Host. They should have attended IOI for at least five years as a member of an official IOI body or delegation, and must not be current members of the International Committee. Individuals who have passed away may still be nominated.

When filling out this form, keep in mind the objectives of the IOI listed in its regulations at <https://ioinformatics.org/page/regulations/9>. Also, even if the nominee is well-known in the community, assume a decision will be made solely on the information contained here. In particular, include details, provide examples, and when possible, cite online references or include supporting documentation.
